

K-LOVE radio is the only all music/contemporary Christian station in my area. It is the station I play 99% of the time. It is my children's favorite station. Many members of this community would find a void on their dials if this positive/family station is no longer aired. The service provided by K-Love is in the public interest because all other stations are not completely safe for children to listen to. On other local stations, announcers make rude comments, songs have illicit lyrics, the news segments may have objectionable content. I feel strongly that K-Love is the best radio station for me and my family to listen to. Thank you.
